MM2403

## MARINE BILGE CLEANER

Bottle of 100 tablets designed to dissolve and access all the nooks and crannies of the bilge in order to control bilge scum buildup, sludge, and even smell. These 100% soluble bilge maintenance tablets keep the bilge water flowing freely and prevent clogs in limber holes.

- For Use In The Bilge
- 100% Soluble
- Odorless
- No Corrosive Vapors
- Safe For Marine Use
- 100 Tablets

**\*Actual size**

Recommended Use: At least one tablet for every 10 feet of boat length. Place the Bilge tablets in wet bilge locations as far as possible from the bilge pump to ensure the most prominent coverage area.

## MARINE BOAT SOAP

A safe, non-caustic 100% biodegradable cleaner can be used in hot or cold, fresh or saltwater. Ideal for removing dirt, grease, fish guts, and seagull droppings from decks, hulls, canvas, sails, and upholstery. Safe and effective for natural and delicate synthetic fibers.

- 100% Biodegradable
- Safe for Sails, Lines & Canvas
- Safe for Moisture/Stain-Repellent Treated Surfaces
- Excellent on Grease
- Non-Caustic
- Phosphate-Free

Recommended Use: Useful for extending the life of sails, life preservers, canvas tops, dodgers, and inflatable boats. Will not damage the water-repelling compounds used on canvas and fabrics—also, great below deck for cleaning wood surfaces, galley grease, and dirty marine heads. Effectively cleans without damage to marine equipment or the marine environment. 1 cup per gallon of water.

MM2732

## MARINE HULL DECK CLEANER

Our marine-grade hull deck cleaner is specially formulated to remove tough stains in one application without using harsh hydrochloric or phosphoric acids without damaging the surface. Safe for fiberglass and topside painted surfaces.

- Safe for Fiberglass
- Safe for Topside Painted Surfaces
- Biodegradable
- Zero V.O.C.
- Phosphate-Free

Recommended Use: Apply with a brush or roller, wait and rinse. Repeat as necessary until all stains are removed.

MM2740

## NON-SKID BOAT DECK CLEANER

This extra-strength boat cleaner is great for cleaning all types of boat decks and surfaces including fiberglass and painted surfaces. The marine-grade formula is tough on grime while quickly removing dirt, debris, and slimy build-up.

- Concentrated Formula
- Multi-Surface Cleaner
- Fresh & Salt Water Safe
- Non-Slip Finish
- Non-Caustic

Recommended Use: Apply deck cleaner directly onto a wet surface and allow it to sit for a few minutes before scrubbing and then rise with water. For tough soiled surfaces, do not dilute.

Non-Skid Boat Deck Cleaner	MM2740	4

MM2760

## RUST REMOVER

Where there is moisture on metal there is often rust! Easily remove top-level rust formations on a variety of surfaces and ditch the harsh acids. Our multi-surface remover is safe for fiberglass, fast-acting, and infused with a metal protectant leaving your surfaces polished like new! Don't let your ride turn into a rust bucket, try the Spray Rust Remover because Ship Happens.

- Multi-Surface Cleaner
- No Strong Or Harsh Acids
- Biodegradable
- Zero V.O.C
- Safe For Fiberglass

Recommend Use: Spray directly onto the affected area and wait before scrubbing with a sponge or scouring pad.

## HARD WATER SPOT REMOVER

Our heavy-duty water spot remover effectively eliminates hard water stains, salt, mineral deposits, and stubborn grime from various surfaces while keeping your boat in ship-shape condition. Our solution is even infused with a surface protectant to reduce the need for frequent cleaning, ensuring your vessel stays pristine for seasons to come. Tackle hard water stains with ease with the Hard Water Spot Remover!

- Creates a Protective Barrier
- Reduces Frequency of Cleaning
- Safe on Variety of Surfaces
- Designed for Tough Applications

Recommended Use: Spray directly onto the affected area and wait before wiping away with a microfiber towel.

## BIG OL' BLOWHARD MARINE-GRADE AIR HORN

Big ol' Blowhard is a marine-grade, highly-capacity (1 lb of blasting power) portable aerosol air horn. This intensely audible marine signaling device is ideal for sounding ship/boat movement intentions in fog, emergency alerts, and location during rescue operations. Hundreds of uses from marine and sporting events to safety & security!

- Over 120dB
- Exceeds USCG Requirements
- Can Be Heard Up To 1 Mile Away
- Perfect For Marine Use
- Non-flammable, Ozone-safe
- Rustproof Packaging

Recommended Use: Attach the horn and press the white button pointing away from your ears.

## MARINE DESCALER KIT

An all-inclusive kit restores your boat engine back to its maximum efficiency by stripping away bio-growth water scale, lime, rust, and other water-formed deposits that build up inside the pipes. In these areas where you can't see, the descaler's color-changing chemistry allows you know when you've removed all the build-up.

- 1 qt. Concentrated Descaler Solution
- Mixing Bucket
- Circulation Pump (260gph)
- All Necessary Hoses For Flushing
